P. M. BACUS will sell at 11 a.m., at the Stock of Messrs. Kersey & War, consisting in part of Boots, Shoes, Hats, Shirts, etc., and Store Fixtures. Sale to take place on the premises, opposite the Theatre.

J. A. MOORE will sell at 11 o'clock a.m., the Stock of Messrs. Kersey & War, consisting in part of Boots, Shoes, Hats, Shirts, etc., and Store Fixtures. Sale to take place on the premises, opposite the Theatre.

DISPENSARY.—The Olympia Oculist Press of May 4th, comes to the following specific conclusion after perusing a statement which appeared some time since in the Times: "The news comes from England in the London Times, that California is making preparations for offensive war against England, under the aspirations of Seward, for the capture of British Columbia, says our government is building three iron-clad frigates for California, and sending three large quantities of powder, shell, etc." Somehow the English journals always know more about American affairs than our own people. The *American* wishes to the end of the preparations for war, and so do we. [The *Oregonian* says: "The *Oregonian* wishes to the end of the preparations for war, and so do we."]

THE GUNBOAT FORWARD.—The Forward steamed into Victoria Harbor yesterday afternoon about 2 p.m., having left Cowichan Bay in the morning. The following passengers arrived in her: The Right Reverend Bishop Demers, Capt. Bazalgette, R. M., Dr. J. A. Moore, Mr. J. A. Moore, Superintendent Smith, and Mrs. M. J. Moore, and five children. The Forward proceeded at 4 p.m. to Esquimalt to report to Commodore Spencer and to receive orders. It is thought that Commander Lascelles will again be directed to proceed to the end of the preparations for war, and so do we. [The *Oregonian* says: "The *Oregonian* wishes to the end of the preparations for war, and so do we."]

A JUST CALL FOR CHARITY.—Mrs. Marks, widow of the late Mr. Christian Marks, who with his daughter met with an untimely end in Plummer Pass, arrived by the Forward yesterday with her family. The deplorable event which this suddenly deprived her of her husband and her only source of support, throws Mrs. Marks upon the sympathies of the kind and the generous. We are truly mistaken if Victoria does not contain many warm and feeling hearts, ready to be helpful and kind to the fatherless, and comfort to the widowed, whenever they appeal like the present, comes prominently before them.

NEW VEHICLE.—An ingenious contrivance for carrying provisions etc. up to the mines, was put on board the Governor Douglas yesterday. It consists of a wooden truck with four handles, two at each end, and a single wheel in the middle. The freight is packed on each side of the wheel, and secured with bands of iron hoops, attached to the framework. Two men guide it, one in front and one behind. Although there is some originality in the idea, we fear it will not be found to answer when carried to practice.

UNION CONVENTION.—According to advice from the Sound a Union Convention will be held at Port Vancouver on the 29th inst. The friends of the Union are holding meetings to elect delegates to attend the Convention. At New Westminster Monday, Mr. J. C. Brown, of Port Angeles, was elected Delegate to represent (Calif. Co., W. T. A. Democratic meeting was also organized and a Mr. Garish nominated to represent the latter party in a Democratic Convention to be held at Vancouver on the 28th inst. The proceedings passed off quietly.

NAVAL MOVEMENTS.—H. M. S. Devastation and the gunboat Grappler were lying at Cowichan when the Forward left, yesterday morning. The former would wait further orders, while the Grappler, it was said, would proceed to New Westminster, to lay down some buoys, and then return to Esquimalt. The payment of the loan to the Government to New Westminster yesterday, to give evidence regarding the smuggling craft seized by the Devastation during her late cruise.

BISHOP DEMERS.—The Right Reverend Bishop Demers arrived yesterday from Cowichan, by the Forward. All the accounts received give confirmation to the fact that it was mainly owing to the spiritual and moral influence which the worthy Bishop exercises over the tribes in that neighborhood, amongst whom he is held in universal respect, that the Indian murderers were surrendered, and further disturbances happily averted.

SPRINGER ENTERPRISE.—This fine vessel was placed upon the ways at Ling's building yard yesterday. Upon examination, it was found that she had sustained serious injuries by the unfortunate accident which occurred at Bute Inlet. The repairs found requisite will keep her for some time in the hands of the shipwrights.

THE LAST OUT.—What constitutes the difference between the Prince of Wales, Esau, an orphan, and a half-headed man? Answer—His Royal Highness is an *arch* opponent, Esau was an *(h)* *ary* parent. An orphan has *no* *er* a parent, and the bald headed man *neer* an *(h)* *ary* parent.

MR. JOHN WOOD'S BENEFIT.—We are pleased to hear that the public are manifesting a lively interest in Mr. Wood's approaching benefit. Already most of the seats are secured, and we would advise all who purpose spending a pleasant evening to lose no time in making sure of their places.

IN JAIL.—The Indian prisoners Stealm, Kuisik, Swaney, and Thak (a squaw), captured by the gunboat Forward, on the charge of being concerned in the murders of Brady, and Mr. Marks and his daughter, were held yesterday afternoon, and lodged in jail. They will probably be brought before the magistrate this morning.

FOR NEW WESTMINSTER.—The steamer Governor Douglas left last night for New Westminster and Yale, with a good many passengers, 70 tons of freight and 30 pack animals.

FOR SANICHO.—The sloop Eagle, Capt. Keffler, left for Sanicho yesterday, with 12 tons of freight on board.

FOR NANAIMO.—The schooner Shark, Capt. Page, sailed yesterday for Nanaimo. She carried 6 tons of freight and two passengers.

LOW FARES.—The fares from New Westminster to Douglas and Yale before the combination, were at times down as low as fifty cents.

POLICE COURT.—There were no cases of any public interest brought before the magistrate yesterday.
